

1. ENTIRE AGREEMENT AND ACCEPTANCE

This Purchase Order will become the exclusive agreement between the parties, subject to the terms and conditions hereof, when accepted by acknowledgment or commencement of performance. Additional or different terms proposed by Supplier shall not be applicable, unless accepted in writing by KEARFOTT CORPORATION (hereinafter called "Kearfott"). No change in, modification of, or revision to this Purchase Order shall be valid unless in writing and signed by an authorized employee of Kearfott. All supplements, sheets, specifications, schedules, exhibits, riders or other attachments annexed hereto or referenced herein are made part of this Purchase Order and Supplier agrees to them by acceptance of this Purchase Order. Failure of Supplier to send to Kearfott a written acceptance or advice that Supplier has commenced performance within ten (10) days after the date hereof shall entitle Kearfott, at Kearfott's option, at any time prior to receipt of such written acceptance or advice, to cancel this Purchase Order without cost or liability to Kearfott.

2. DEFINITIONS.

As used herein, the term "products" shall include goods, supplies, materials, packaging, services, work and data expressly or impliedly ordered herein. The term "FAR" means Federal Acquisition Regulation. The term "DoD FAR Supp." (DFARS) means Department of Defense Federal Acquisition Regulation Supplement.

If such change results in an increase or decrease in the cost or time required for performance of the work under this Purchase Order, an equitable adjustment shall be made in price, delivery schedule, or both. Any claim for such adjustment shall be deemed waived by Supplier unless submitted in writing to Kearfott within thirty (30) days of receipt by Supplier of the change order or within such other period of time as may be agreed upon in writing by Kearfott and Supplier. Kearfott may require that claims for equitable adjustment pursuant to this paragraph shall be submitted on the applicable forms contained in FAR Part 53, and shall be governed by the principles prescribed by FAR Part 31, whether or not this Purchase Order bears a government contract number. Failure of Supplier to submit its claim in the prescribed manner or within the time allowed shall be grounds for Kearfott to make a unilateral determination of the amount, if any, due Supplier for the change and such determination shall be final. Where the cost of property made obsolete or excess as a result of a change is included in Supplier's claim for adjustment, Kearfott shall have the right to prescribe the manner of disposition of such property. Failure to agree on any claim for equitable adjustment under this paragraph shall be a dispute within the meaning of the disputes clause hereof. Such dispute shall not relieve Supplier from proceeding without delay in the performance of this Purchase Order as changed. Changes shall not be binding upon Kearfott unless evidenced by a change order issued and signed by an authorized employee of Kearfott.
- (b) Any communication, purchase order, agreement, amendment, change, stop work order, course of performance or course of dealing, supplementing, modifying, rescinding, or waiving any of Kearfott's rights or obligations shall be void unless executed or ratified in a writing which expressly states that it constitutes an amendment or change of this Purchase Order and which is signed by Kearfott's representative duly authorized in writing in order that Kearfott shall be bound only by such writing and not by construction, implication, or apparent authority. Information, advice, approvals, or instructions by Kearfott's technical or other personnel shall be deemed expressions of personal opinions only and shall not affect Kearfott's or Supplier's rights and obligations.

Kearfott may at any time postpone delivery of all or any of the products ordered herein for a reasonable time. Kearfott may retain or return to Supplier at Supplier's expense products received in advance of their required delivery dates as specified in this Purchase Order. In the event of the return by Kearfott to Supplier of advance or over shipments, Kearfott shall charge to Supplier all shipping costs, both ways, plus a reasonable charge for its services in effecting such return. Supplier shall not, without Kearfott's written consent, manufacture or procure materials in advance of Supplier's normal flow time or deliver in advance of schedule. Kearfott may reject and hold at Supplier's expense, subject to Supplier's disposal, all products not conforming to applicable specifications, drawings, samples or descriptions. Kearfott shall have the option of returning rejected products to Supplier at Supplier's risk and expense and Kearfott shall charge to Supplier transportation both ways, plus a reasonable charge for Kearfott's services in effecting such return. Without limiting any other rights it may have, Kearfott at its option may require Supplier to repair or replace at Supplier's expense any products which fail to meet the requirements of applicable specifications, drawings, samples, or descriptions. Rejected products may not be retendered to Kearfott by Supplier unless notification of such past rejection is submitted with the retender and Kearfott has consented to such retender. Kearfott shall also have the option to perform or have performed by others the necessary repairs or to replace such products by contract or otherwise, and charge the cost of such repairs or replacements to Supplier. In the event that products furnished by Supplier fail to pass Kearfott's usual inspection, Kearfott may charge Supplier for the time required for such additional inspections as may be necessary. Supplier shall maintain an inspection and quality control system acceptable to Kearfott. Supplier shall keep records of all inspections made of the products and shall at all reasonable times, including the period of manufacture, allow Kearfott, the Government and regulatory agencies, Kearfott's customers or the customer's representative to inspect and test the products and inspect the plants, including those of Supplier's subcontractors where the work is performed. The records of all inspections by Supplier shall be kept complete and available to Kearfott during the performance of this Purchase Order and for the duration of any applicable warranties. Supplier shall provide without additional charge reasonable facilities and assistance for safe and convenient inspection or test. If this Purchase Order specifies that government source inspection is required prior to shipment from Supplier's plant, Supplier shall, upon receipt of this order, promptly notify the Government representative who normally services Supplier's plant so that appropriate arrangements for Government inspection can be made. In the event that the Government representative or office cannot be located, Kearfott shall be notified immediately.
